INSPIRING WOMEN

At the **Wordsley Ladies Group** meeting on **3rd November at 2.00pm**, the guest speaker will be Alan Peace. Alan is the past chairman of leading owl conservation

organisation the World Owl Trust and he will be giving an illustrated talk about a special barn owl called "George" and the work of the World Owl Trust (no live birds are used in the talk.)

The meeting will be held at **Holy Trinity Church, Wordsley**. Alan has been involved with owls since taking part in the captive breeding and release of barn owls in the 1980's and he gets called out on "owl rescues" particularly to young tawny owls that have an irritating habit of falling out of the nest before they are able to fly.

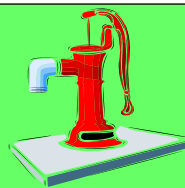

THE NEXT PARISH PUMP WILL BE IN THE NOVEMBER 2026 EDITION AND THE COPY DEADLINE IS Monday, 19th October 2026.

Don't forget that insertions are free if you run a Group or Association that is non-profit making. Please send your details via email to Gail at
villagevoice @hotmail.co.uk

ROTARY CLUB OF KINVER

After a successful year under the leadership of Graham Smith, culminating in our 40th anniversary dinner with guest speaker Will Farmer, Kinver Rotary Club's new Rotary year (it runs from July to June) got off to a flying start. An attendance of 54 heard from Kate Oakley (founder of the charity Planting For Hope Uganda), Andrew Johnson and Josh Raden, operations director of NewMedica opticians, on the most recent visit to Kititi in Uganda. A chance conversation while Kate was having treatment led Josh to quickly put a team of opticians (and hundreds of pairs of spectacles) together to travel with Kate and test eyes and provide glasses where appropriate. Josh expects to take an even larger team on the next visit. £400 was raised on the evening for Planting For Hope Uganda from a raffle and the sale of Ugandan crafts.

Our next speaker was Sally Harris, of Kinver Fitness Collective, a remarkable lady, passionate about her cause. Discussion followed her input with the result that our club is looking forward to joining with her to host a family event in the spring – watch this space.

Past President Alan Millichip is well known for his bright ideas and in response to the Shelter Box appeal in the wake of the Venezuelan earthquake, a street collection was organised in Kinver High Street on Saturday August 1st. Thanks to District Councillor Paul Harrison and County Councillor Victoria Wilson and Roger Stephenson a street collection licence was obtained in what seemed to be record time. Thanks to people's generosity the collections and other donations totalled £309.40. A further £200 was added from club charity funds and £509.40 sent to Shelter Box for the appeal. Further donations from club funds have been made to Kinver Bowling Club towards the refurbishment of their premises and to the appeal for victims of the dreadful fires in Stourbridge.

On the social front, in August we enjoyed a garden party at the home of one of our members. The weather was kind – not too hot - and a good time was had by all.

Maz Page, C.E.O. of Brierley Hill Baby Bank, updated us with the latest initiatives and current needs of the Baby Bank. The progress made since starting on a table in Maz's house, is truly amazing and heart-warming. Members had previously contributed to a collection for nappies needed by the bank. Other recent speaker topics have been Acorns Children's Hospice, 'Making golf leaf' - unfortunately there were no free samples – and 'The builder wore pink nail varnish'!

As we go to print we look forward to our fundraising Coffee Morning at The White Harte – we will report on that in the next issue. Our charity wine tasting in October is already sold out but the Children in Need Quiz at The Fox on November 23rd and the Virtual Horse Race night at The Edward Marsh Centre on March 20th may be of interest. At the time of writing the Santa sleigh dates and routes are being finalised and will be published soon.
